

CONTRACTOR SAFETY ALERT

Hazard reporting

Number: 66

Issued: 27/06/2022

Background

Driving and Log Haulage are critical risks for the forest industry. Road conditions can deteriorate during the winter and summer months, creating a hazard for road users. All hazardous road conditions should be reported via the FPC 1089 Contractor Hazard / Incident Event Notification form.

Key Points

- Safety is everyone's responsibility
- The standard you go past is the standard you accept
- Report road hazards via the FPC 108
- FPC1089's are to be emailed to nearmiss@fpc.wa.gov.au
